Welcome to the Deep in the Heart of Texas Sale

Josie and I want to welcome all of you to our first annual Deep in the Heart of Texas Sale. As you all know, Rick and Tracey Friedrich sold their ranch, and will no longer host the Hill Country Heritage Sale. I believe it was on a Sunday afternoon, when we read about the ranch sale on social media. Josie and I immediately decided we would attempt to accommodate the scheduled sale date and offer a Longhorn sale here at our ranch.

Well, as it turned out, Joel Lemley had the same idea. Less than 24 hours later, on Monday morning, I received a phone call from Joel in which the call lasted about 10 minutes with him explaining how we should try and secure the already scheduled sale date and have a Longhorn sale here at our ranch. After several minutes of listening to Joel's convincing speech, I interrupted him and said Josie and I have already decided we would do the sale.

It was at that point we started preparing for Struthoff Ranch's Deep In the Heart of Texas Sale. Struthoff Ranch has been breeding Registered Texas Longhorns for over 22+ years. We had entertained the thought for many years about hosting a sale, but never had the opportunity until it presented itself to finally make it happen. We are fortunate to have had several months to construct sale facilities and schedule all the vendors. So, with your help – participation and attendance, we are hoping for a very successful and profitable sale that we will continue for years to come.

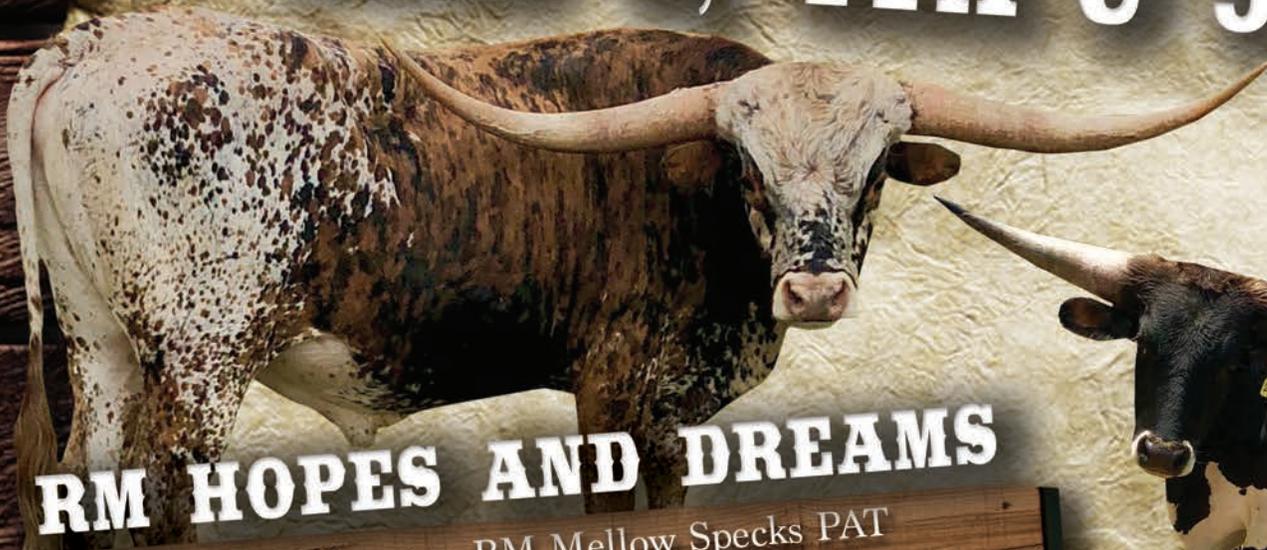

We will be serving a BBQ dinner following the heifer sale and at 8:30 we will provide live country music for entertainment.

Again, thanks to all the consignors and bidders. Without you we couldn't have a successful sale.

**Lynn and Josie

Trail Dust was a 13x bronze winner, as well as the longest total horned bull in the breed. She's produced six heifers in the last seven years. Magic Dust has been a wonderful cow, easy going, consistently breeds back, raises a great calf, and is a good milker (look at the proof in her production, all thick and big). She is currently bred to Chromed, a big brindle son of Cowboy Catchit Chex and out of KCCI Rio Fancy who was 86" TTT LAST YEAR and should be close to 90" now (and out of over 90" TTT KCCI Outback Fancy). You'll love this bun in the oven! Heifer calf at side is out of Tuff's Titan.
